It's time to hit the red carpet for the Tony Awards. As part of the Hospitality Room judging, each Squadron will entertain us with a 5-8 minute rendition from their Broadway play during the ice breaker. Squadrons may present their skit in any suitable format. His & Hers DJs will be spinning the tunes starting at 1830 with the skits beginning at 2000.

Ice breaker is free of charge with a cash bar.

The entertainment then moves into the hospitality suites, where the party continues. For all aspiring thespians and play writers, this conference is for you. We expect stellar performances or at least allot of laughs.
